### **Lifeworks Counseling**

There are times in our lives when we need to seek out help that requires a person that is professionally trained to provide guidance, assistance, healthy and Biblical solutions to our problems. And we couldn't be more thankful to be able to offer this ministry at Agape Christian Church. To schedule an appointment call (574) 268-0448 and to find out more information visit: <https://www.acclaporte.com/pastoral-counselor/>

### **Fall Camping Trip**

Sept 11-13. The Camping trip is still on!  
Sites are filling up fast, so please let Ben Crostreet know if you are interested. Cost for camping is \$69.20 for both nights. Make all payments "Camp Out". Contact Kyle Smith or Ben Crostreet with any questions. Please mark your payment "camping trip".

### **Pop Cans**

We collect pop cans and use them to pay for the Bibles that we give away for free at ACC. We also buy Bibles to give to one of our missions that we support, Extended Hand Ministry, a prison ministry. We have a collection box in the Fellowship kitchen and a drop box outside by the shed/trash bin area. Thank you for always donating your pop cans! We've been able to help Extended Hand Ministries for many years because of your donations!

### **Rightnow Media**

### **VBS**

First Church of God is offering their VBS at the end of July and you can get more info on their website and Facebook page. We like this VBS because they use the same curriculum as us, so our weekly lessons are in sync with their VBS!
