

Welcome!

Agape Christian Church

Ministry Launch & Potluck Lunch

We are launching our ministries at Agape Christian Church. We have placed some structure to our current ministries and added some new ones! Come check out our ministries on **August 22** following 10am service. We will have a potluck lunch, please bring a side to share, and all of our ministries will have a table set up with information and sign up sheets available. We would love for you to find a ministry that speaks to your heart and get involved. We all have different talents and gifts that we can use to help serve our church families and our local community. Come see how you can serve and get plugged in!

Church- Wide Camping Trip

Join us, Agape Christian Church for our 4th annual church camp out at Potato Creek State Park, September 10-12. **We have 3 spot left.** Cost is \$69.20 for the weekend, per spot. You can pay online or drop off money to the church office. Be sure to mark it, Church Camping Trip. Let Kyle Smith or Ben Crostreet know if you would want a camping spot!

Not camping? We would love for you to join us for the day on Saturday, which will include a potluck dinner. Please bring a side dish to share. You can join us during Sunday morning for a potluck breakfast and worship service.

Don't forget to bring your bikes, kayaks, hiking boots and expect to have a lot of fun in God's creation!

Operation Christmas Child

We will be collecting boxes again this Christmas season and for anyone interested, now is a great time to look for deals on school supplies, arts and craft items and more!

Opportunity to Serve our community

A family in La Porte is in need of having a porch rebuilt for their safety and to meet city code. We would like to put together a crew to take care of this project and serve our community for Jesus. Please let Dan Drake or Ben Crostreet know if you are interested in serving.

Not to Make Things Awkward

We have had a hard time lately keeping our bathrooms clean. We have noticed that many of the toilets are being left un flushed. As you can imagine, this is leaving odors and sometimes a messy situation. Please help us by monitoring your children in the bathrooms and notifying the office with any messes you may come across. Thank you.
