**James 1:1-12**

James \_\_\_\_\_ is the one that most believe wrote this letter.

James became known as a man who was totally \_\_\_\_\_ to Jesus.

There are \_\_\_\_\_ elements to the trials that we face.

We will reflect the \_\_\_\_\_ more and more as He refines us and skims away the \_\_\_\_\_ of our lives.

This testing that James talks about is all about making us \_\_\_\_\_.

By his grace alone if we are \_\_\_\_\_ to the end, then we get to enjoy life with Jesus that has no end.
