Agape Kids Ministry Needs

We need 2 more volunteers to join the schedule for our 5pm service. This service is an all in one classroom, birth-4th grade. If you are interested or have questions, please contact Theresa Cadwell.

We are looking for 4+ volunteers to be a helper in the preschool room during 10am service. This role is a good fit for you if you are able to: be a great helping hand and take directions from the lead teacher, not afraid to be loving yet assertive with kids, willing to sit with children to help them through big emotions, help with crafts, and snack time.

To Our Agape Christian Church Family,

We want you to know how honored and blessed we all felt by the loving things that you did for us during the passing of our husband and father, Frank Buss. Whether it was a hug, a card, kind words, beautiful flowers, and a wonderful luncheon..... We cannot express to you enough how much your love and support meant to us. Thank you so very much.
