

Worshipping the God of the Universe
April 28, 2024

Psalm 95:1–7, Psalm 145:1–3 ESV

Worship reorients our lives from focusing on ourselves and our lives, to focusing on _____, where our focus and attention should be.

The more we genuinely _____, the more deeply we will grow as disciples of Jesus.

True worship comes from the heart, so we have to _____ to worship God in order to have genuine worship.

Worship is not about us and our preferences. Genuine worship is about _____ alone.

True worship is what happens throughout our lives, and it should happen every _____, not just once a week.

We worship because God is _____ of our praise, he is worthy of our worship, and there is no occasion that is the wrong time to worship God.

True worship is not based around a _____. It's based around our resolve to worship God no matter what.
