Ushers Needed

Have you seen what God is doing here at Agape? New people and families are joining our services more and more. We are forming an usher team to help those visitors adjust entering a new place a little better. If you feel like you can be welcoming, joyful, social, but also aware of how you are either helping or not helping someone feel comfortable- WE NEED YOUR HELP.

Ushers will be adding to what the greeters are already doing but with different tasks and location. Please text Taylor for more information or to sign-up as an Usher! (219) 369-3219
