**Daniel 10**

Daniel 10 shows us a small piece of what the \_\_\_\_\_ of spiritual warfare looks like.

There is a spiritual reality here that we cannot see unless God allows us to.

There is a \_\_\_\_\_ raging there, and we are active participants in it.

No matter how hard he fights, no matter how much power he has, Satan is still subject to the power of \_\_\_\_\_ and always will be.

We need to be on \_\_\_\_\_, because there is real spiritual power out there, and whatever does not come from God, comes from Satan.

We are active participants in this battle, so we need to be \_\_\_\_\_.

Satan is not, and never will be, \_\_\_\_\_ to God in any sense.

In the end, Jesus returns for us, our God \_\_\_\_\_, and all along the way, our God is always in control and Jesus is always on his throne.
